

Chris Butterwick joins Funds-Axis

Funds-Axis Limited today announces the appointment of Chris Butterwick. Chris will serve as a Director of Funds-Axis. Chris' new role will see him take the lead in developing new business particularly in respect of the Funds-Axis GRC™ application and the OTC derivatives valuation services – two new Funds-Axis' products which are being launched this week.

Chris brings with him over 25 years of experience in a variety of roles in the financial services industry.

Darren Burrows, Managing Director of Funds-Axis, comments: "Chris is a very welcome addition to the Funds-Axis Team. He will be well known to many of our clients in UK, Dublin and Luxembourg and he brings with him a wealth of knowledge and expertise in respect of UCITS, Derivatives Usage, Risk and Control. This week we bring new and exciting products to market after months of investment and preparation. I am delighted that we have been able to recruit someone of Chris' caliber to spearhead our future efforts in this regard."

Chris Butterwick comments: "Funds-Axis has quietly built up an impressive client list and service set and an acknowledged expertise in areas ranging from fund accounting to derivatives usage and risk management under UCITS III. I am particularly impressed by the scope and depth of the Funds-Axis GRC™ software being launched this week; the enterprise-wide benefits that the application delivers is clear and I look forward to the challenge of promoting this innovative solution, as well as the OTC Valuations service and other Funds-Axis services.

About Funds-Axis Limited:

Funds-Axis is a provider of specialist consultancy, training services and solutions to the asset management industry, including in respect of European fund regulations and operational risk and control.
